COVID Measures

Please note

Following the government's announcement of the end of lockdown the PCC has made the decision keep our COVID measures in place to ensure the safety of all who attend our worship services. We have resumed singing in our services, people are encouraged to do so wearing a mask. We are now also administering Holy Communion in both kinds following the Church of England's guidelines.

Community Survey

At the Looking back, looking forward exhibition we encouraged people to complete a survey to help us to gather peoples' views on how we might shape Egloshayle Church to better serve our community. There are hard copies of the survey at the back of the church, but it is also online and can be found on our website and Facebook page. You can share this survey with any who you would like to invite to complete it.

Heating at Egloshayle

Some small temporary warm air blowers have now been placed in the church. In the next couple of weeks, a large heater will be put in the vestry. Despite this provision you are still advised to wear an extra layer of clothes to church!

What's On
