COVID Measures Please note Following the government's announcement of the end of lockdown the PCC has made the decision keep our COVID measures in place to ensure the safety of all who attend our worship services. We have resumed singing in our services, people are encouraged to do so wearing a mask. We are now also administering Holy Communion in both kinds following the Church of England's guidelines.

Heating at Egloshayle Some small temporary warm air blowers have now been placed in the church. In the next couple of weeks, a large heater will be put by the vestry. Despite this provision you are still advised to wear an extra layer of clothes to church!

Survey Final Call Remember to complete either the printed or online survey. The online survey can be found on our website or Facebook page. Completed printed surveys can be left in the designated box in church.
